Assignment 2

I confirm that I will keep the content of this assignment confidential. I confirm that I have not received any unauthorized assistance in preparing for or writing this assignment. I acknowledge that a mark of 0 may be assigned for copied work.

Eric Yeung
104392784

This assignment creates a child process that is exited without waiting, therefore creating a zombie process. The program will also find zombie processes and show them, then kill the parent of any zombie process, then display the updated list of processes with their states.

```
[EYeung@EricMac Operating System Fundamentals % ./A2b
